A destination wedding is a royal wedding ceremony at an idyllic location. These wedding ceremonies are based on a specific concept like Rajwada, Bollywood, Indo-Western, Hawaiian Theme, etc. We have seen in newspapers or on TV channels that big celebrities of the country go abroad and have destination weddings. Many movies, TV series shows destination wedding. This has created a craze for destination weddings among the youth of today. The frequency of preference for destination wedding surrounded by historical & tourist places is quiet often. Moreover, the innovative food culture of the place is enjoyable, Local arts and crafts can also be explored. Wedding planners, event management are there for help.
